

Ohio is home to many promising practices throughout the workforce development system that work to connect employers and individuals. Our database of programs showcases some emerging and promising practices from workforce stakeholders throughout Ohio that address many of Ohio's [In-Demand Jobs](#). With this database, we hope to facilitate dialogue among workforce stakeholders to replicate promising workforce practices across Ohio.

If you have an innovative approach to addressing workforce demands and want to share your promising practice, please fill out the Promising Practices Worksheet and email to workforce@owt.ohio.gov.
